

# ADAM-3900 Series DIN-rail Terminal Boards

## ADAM-3940

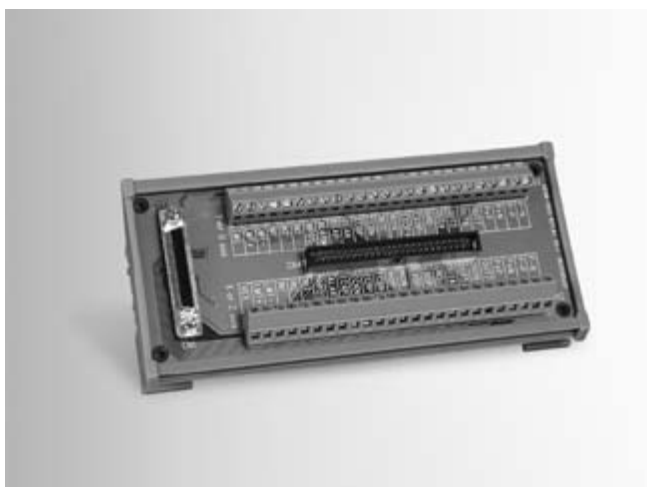

### 40-pin Wiring Board with LED

#### Features

- DIN-rail wiring board for AMAX-2240 series applications
- Dimensions (W x L x H): 160 x 50 x 43 mm (6.3" x 2" x 1.7")
- 40-pin box header connector
- LED indicators

#### To Be Used With

AMAX-2241/PMA, AMAX-2242/J2S, AMAX-2243/YS2

## ADAM-3952

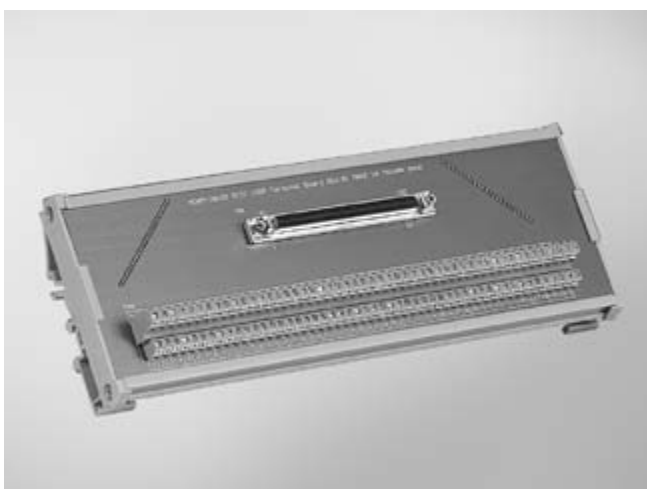

### 50-pin DIN-rail SCSI and Box Header Board

#### Features

- DIN-rail wiring board for PEC-3240, PCI-1240U, and PCM-3240 application
- Case dimensions (W x L x H): 77.5 x 179.5 x 41.5 mm (3.1" x 7.1" x 1.6")
- 50-pin SCSI and IDC connectors

#### To Be Used With

PEC-3240, PCI-1240U, PCM-3240

## ADAM-39100

### 100-pin DIN-rail SCSI Wiring Board

#### Features

- Low cost universal DIN-rail mounting screw terminal module for industrial applications with 100-pin SCSI female connector
- Case dimensions (W x L x H): 80 x 230 x 42 mm (3.14" x 9.05" x 1.65")

#### To Be Used With

PCI-1240U, PCI-1755
